1 December 2017

Thebarton Senior College and Thebarton Senior College Football Club are proud to support Australia Wide Recyclers (AWR) and the work they are currently undertaking in the community to assist newly arrived people from diverse cultural backgrounds in their transition to life in Australia.

AWR have been a tremendous support to students at Thebarton Senior College throughout the course of 2017. They have provided material assistance support, moving assistance and food vouchers to young people from refugee backgrounds in crisis situations.

They have been incredibly reliable and effective in the work they are currently doing and this has had a significant effect on the lives of the young people they have assisted.

Both the college and the soccer club look forward to continuing this important relationship with AWR in 2018
